LSD-37.5E IP44 (H)2.4m x (W)1.2m

LED soft displays (economy version)

Art. No.: 80503236
GTIN: 4026397428742

Features:

- Inexpensive economy version of the successful LED soft displays
- Flexible displays with tri-color RGB LEDs (type SMD 3528) for bright and colorful projection of videos and graphics
- Modular display concept allows the build-up of large areas, ideal for outdoor use with large viewing distances
- Bendable and foldable PVC material suitable for various shapes, e.g. columns, circles, angles
- Proven connector system with push buttons and hook-and-loop connections
- Fast and uncomplicated installation, indoor and outdoor (IP44)
- Truss suspension via built-in belts
- Water-repellent and flame-resistant
- Low weight and small volume for convenient transport
- Easy maintenance - LEDs can be replaced without difficulty
- Controllable via optional network components and PC software
- All-in-one control system T9 (80503300): network interface and software LED Show T9 - ideal system for mobile use with notebooks with 1-gigabit NIC
- Recommended media software: MADRIX
