Logistic

EUROLITE Reflector casing for UV tube 120cm/36W

Housing for more performance

- With aluminum reflector
- Doubles the UV-light of the tube
- Concentrated UV-light
- Easy mounting
- For one 120 cm UV-tube
- Ready for connection with power cord and safety-plug
- Mounting bracket for installation on a truss system included

PHILIPS UV Tube Slim Line 36W 120cm

An indispensable means of decoration

- Countless number of application possibilities
- Already existing a good number of years, the "black light effect" is still fascinating: white textiles and objects as well as fluorescent material brightly flash up in darkness!
- Made in Europe
- For further information about this product, please refer to the Data Sheet under "Downloads"
