LMC-2022FX USB Mixing Console

PRO audio mixer with British-style EQ, compressor, effect unit and USB interface

Art. No.: 10040283

GTIN: 4026397565539

Features:

- 6 mono input channels with gain control, 3-way EQ with semi-parametric mid band, low cut and pan control
- 6 inserts for flexible connection of outboard equipment on each mono channel
- 4 stereo input channels with 4-way EQ, level selection and balance control
- State-of-the-art, low-noise mic preamps with 130 dB dynamic range and high headroom
- Exceptional British EQs for warm and musical sound
- Studio-grade compressors with easy one-knob functionality and control LED on each mono channel
- 24-bit DSP FX unit with 16 editable presets, tap function and storable user parameter settings
- Built-in USB audio interface allows recordings and playback of digital audio files with a computer (PC and Mac)
- Intelligent feedback detection system makes eliminating feedback frequencies easy
- Voice canceller filters out vocal portions for karaoke applications
