Monitor controller with source and monitor selection & Bluetooth connectivity

Art. No.: 10355797

GTIN: 4026397743876

List price: 59.38 €

incl. 19% VAT.

Description:

The VC-22 is an active monitor controller with the ability to choose between two sources and two monitor pairs for professional computer-based studio applications and home use. It is designed for a precise volume control of analog audio signals and inserted between analog signal sources and active speakers or amplifiers, e.g. between a PC sound card and monitor speakers. It is ideal for quick and easy level control when you monitor the audio output of your PC sound card or DAW (digital audio workstation). Thanks to its active design, it can also amplify signals in terms of volume. The VC-22 can be powered via the USB-C port from a PC or a USB power adapter. In addition, you can transmit audio signals wirelessly from your Bluetooth devices. The unit features 6.3 mm jack connectors and an AUX input as well as a mono, dim and mute function. It will fit any desktop thanks to its compact size. A USB cable is included.

Logistic

EAN / GTIN: 4026397743876

Weight: 0,81 kg

Length: 0.24 m

Width: 0.17 m

Height: 0.07 m

Features:

- 2 signal sources and 2 monitor pairs selectable
- Suitable e.g. between PC sound card and active speakers or amplifiers
- Large rotary level control
- Control via Bluetooth
- Bluetooth: operating range up to 10m in buildings
- Desktop console housing

Technical specifications:

Power supply: 5V DC

Power consumption: 1 W

Protection class:	Protection class III
Power connection:	Mains input via USB C (W) mounting version power supply cord for USB A mains connection (provided)
Frequency range:	20 - 20000 Hz
Control:	Bluetooth
Bluetooth device name:	VC-22
Range:	Bluetooth: range up to 10m in buildings
Housing color:	Black matte
Control elements:	Connect
Status LED:	Pairing
Connections:	Input: line via 4 x 6.3 mm jack socket (mono) mounting version Input: line via 1 x 3.5 mm jack (stereo) mounting version Output: line via 4 x 6.3 mm jack socket (mono) mounting version
Channels:	Input channel: 1 x mono + stereo with line-line switch via jack plug or Bluetooth Master output: 1 x mono + stereo via jack, channel control via rotary dial, mute control, stereo/mono switch, level attenuator, speaker selector
USB port:	Type C
Housing design:	Desktop console housing
Dimensions:	Width: 13.8 cm Depth: 12 cm Height: 6.4 cm
Weight:	0.570 kg
Cable length:	1.5 m
Weight:	0.020 kg

Scope of delivery:

1 x device
 1 x USB cable
 1 x user manual
 1 x declaration of conformity
