

## OMNITRONIC PAS-208A MK4 2-way Top, active, DSP, BT

Active speaker with 8" woofer, 1" driver, 200 W RMS LF, 40 W RMS HF

Art. No.: 11039551

GTIN: 4026397739237

### Features:

- Active PA speaker system for touring applications and permanent installations
- Optimized for combination with PAS subwoofers
- DSP-controlled biamp amplifier (class D)
- Trapezoidal, multi-functional multiplex cabinet with monitor shape
- Stereo Bluetooth link for wireless stereo operation with 2 systems linked together
- Digital signal processor
- DSP presets: MUSIC; LIVE; CLUB; VOICE
- The device is cooled by passive convection cooling
- Control via Bluetooth
- Bluetooth: operating range up to 10m in buildings
- Dual flange
- With rigging points
- Black metal grille with acoustic foam
- Rugged carrying handle

### Logistic

EAN / GTIN: 4026397739237

Weight: 11,60 kg

Length: 0.31 m

Width: 0.31 m

Height: 0.53 m

### Technical specifications:

|                    |                                                                     |
|--------------------|---------------------------------------------------------------------|
| Power supply:      | 230 V AC, 50 Hz                                                     |
| Power consumption: | 300 W                                                               |
| Protection class:  | Protection class I                                                  |
| Power connection:  | Mains input via IEC (M) power supply cord with safety plug included |
| Fuse:              | 5 x 20 mm, T 2 A fuse replaceable                                   |

|                        |                                                                                                                                                                                                                        |
