

**LAVOCE DF10.14 1" Compression Driver, Ferrite Magnet**  
30 W AES, 8 ohms, 106 dB, 1500 - 20000 Hz

**Art. No.: 12602714**  
GTIN: 4026397630947

**List price: 68.9 €**  
incl. 19% VAT.

**Features:**

- For further information about this product, please refer to the Data Sheet under "Downloads"

**Technical specifications:**

|                  |                                                                                                                                        |
|------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Power:           | Program: 60W<br>Rated: 30W AES                                                                                                         |
| Frequency range: | 1500 - 20000 Hz                                                                                                                        |
| Sensitivity:     | 106 dB                                                                                                                                 |
| Impedance:       | 8 ohms                                                                                                                                 |
| Speaker:         | Compression tweeter highs 1" with ferrit magnet<br>Diaphragmmaterial: PEEK (H.T. polymer)<br>Voice coil compression tweeter highs 1.4" |
| Weight:          | 1.02 kg                                                                                                                                |
