

## LAVOCE DN10.140 1" Compression Driver Neodymium Magnet

30 W AES, 8 ohms, 109 dB, 1500 - 20000 Hz

Art. No.: 12602812

GTIN: 4026397637816

### Features:

- Experienced Italian R&D team with outstanding technical know-how
- Innovation-driven culture
- Superb and elegant Italian mechanical & aesthetical design
- Strictest standards and tools in testing and validation
- Modern and efficient production system with a carefully balanced level of automation
- Total Quality Management system
- Efficient logistics
- ISO 9001 certification
- For further information about this product, please refer to the Data Sheet under "Downloads"

### Logistic

EAN / GTIN: 4026397637816

Weight: 0,56 kg

Length: 0.11 m

Width: 0.10 m

Height: 0.05 m

### Technical specifications:

|                  |                                                                                                  |
|------------------|--------------------------------------------------------------------------------------------------|
| Power:           | Program: 60W<br>Rated: 30W AES                                                                   |
| Frequency range: | 1500 - 20000 Hz                                                                                  |
| Sensitivity:     | 109 dB                                                                                           |
| Impedance:       | 8 ohms                                                                                           |
| Speaker:         | Compression tweeter highs 1" with neodymium magnet<br>Voice coil compression tweeter highs 1.35" |
| Weight:          | 0.50 kg                                                                                          |
