

## LAVOCE DN14.25T 1.4" Compression Driver, Neodymium Magnet

80 W AES, 8 ohms, 108 dB, 1000 - 18000 Hz

Art. No.: 12602816

GTIN: 4026397637878

**List price: 236.81 €**

incl. 19% VAT.

### Features:

- For further information about this product, please refer to the Data Sheet under "Downloads"

### Technical specifications:

|                  |                                                                                                                                   |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Power:           | Program: 160W<br>Rated: 80W AES                                                                                                   |
| Frequency range: | 1000 - 18000 Hz                                                                                                                   |
| Sensitivity:     | 108 dB                                                                                                                            |
| Impedance:       | 8 ohms                                                                                                                            |
| Speaker:         | Compression tweeter highs 1.4" with neodymium magnet<br>Diaphragm material: titanium<br>Voice coil compression tweeter highs 2.5" |
| Weight:          | 1.29 kg                                                                                                                           |
