

INTUSONIC 4FP40R 4" 2-way Outdoor Speaker white

Weather-proof 4" speaker (IP33) with mount, 8 ohms, 30 W AES

Art. No.: 12604022

GTIN: 5060502923479

Description:

The INTUSCAPE 4FP40R is the most compact choice to bring background music to any venue's outdoor areas. Its one-shell design from impact-proof ABS resin with a recessed baffle insert provides superior protection against rain. A PP cone woofer and a silk dome tweeter likewise withstand the rigors of outdoor use. Nonetheless, the vented design and the controlled dispersion deliver a pristine sound quality. An internal line transformer with switchable load, a real crossover - not just a capacitor - and our unique cable gland cover as well as the ball head bracket complement the elegant looks of this speaker.
