

## PSSO PXS Dynamic Wireless Microphone 470-510 MHz

Hand-held microphone with battery pack for PXS receivers

Art. No.: 13063510

GTIN: 4026397744019

**List price: 177.31 €**

incl. 19% VAT.

### Features:

- Dynamic hand-held microphone with UHF pilot tone technology (PLL)
- Rugged metal housing
- Easy and error-free synchronization between receiver and transmitter via infrared signal
- Polar pattern: Cardioid
- Cordless, flexible and versatile
- Battery operation up to 10h
- Powered by a battery/battery pack
- Operating range up to 200m with line-of-sight
- OLED display
- Charge status indicator

### Logistic

EAN / GTIN: 4026397744019

Weight: 0,39 kg

Length: 0.30 m

Width: 0.09 m

Height: 0.06 m

### Technical specifications:

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Type:              | Hand-held transmitter                                                       |
| Power connection:  | Battery/battery pack built-in<br>Mains input via USB C (W) mounting version |
| Capsule type:      | Dynamic<br>Size: Ø 2.54 mm                                                  |
| Polar pattern:     | Cardioid                                                                    |
| Battery pack type: | 1 x lithium ion 3.7 V, 1000 mAh, 3.7 Wh                                     |
| Battery pack:      | Battery operation up to 10h<br>Recharging time 3h                           |

|                      |                                                              |
|----------------------|--------------------------------------------------------------|
| Battery:             | 1 x Mignon (AA) (not included)                               |
| Frequency range:     | 35 - 19000 Hz                                                |
| Range:               | Range up to 200m with line-of-sight                          |
| Frequency band:      | UHF 470 - 510 MHz                                            |
| Switching bandwidth: | 40 MHz                                                       |
| RF power output:     | 20 mW (LO); 30 mW (HI)                                       |
| Housing color:       | Black                                                        |
| Display type:        | OLED display                                                 |
| Display reading:     | Frequency , charge status indicator , Mute , RF signal level |
| Control elements:    | Transmitter power switch (high-low)                          |
| Switch:              | On/off/mute switch                                           |
| Material:            | Metal                                                        |
| Dimensions:          | Length: 25.5 cm<br>Diameter: Ø 5.0 cm                        |
| Weight:              | 0.29 kg                                                      |

**Scope of delivery:**

- 1 x transmitter
- 2 x battery pack
- 1 x user manual
- 1 x declaration of conformity
