

OMNITRONIC SHP-950M Deluxe Monitoring Headphones

High-quality monitor stereo headphones

Art. No.: 14000335

GTIN: 4026397707410

List price: 95.08 €

incl. 19% VAT.

Features:

- Closed, circumaural, dynamic stereo headphones
- Very good attenuation of background noise makes them especially suitable for use as monitoring headphones in a noisy environment, film and theater applications, DJ or recording applications
- Very high output power
- Powerful 50 mm neodymium magnet and HQ voice coil
- Enhanced frequency response tuned to deliver high-output bass with extended highs
- Soft circumaural ear pads and adjustable leatherette headband
- Optimal wearer-comfort due to single cable (L)
- Gold-plated 3.5 mm stereo jack with 6.3 mm adapter
- For application areas such as: Mobile djs / entertainer; homerecording and studios
