Description:

Are you planning a motto- or Halloween party and still looking for a stylish decoration for the appropriate, eerie atmosphere?

Our Halloween sets in different variations and sizes are the ideal basis for your chosen theme. Ghosts, witches, pirates and matching accessories will inspire your guests.

You determine the creep factor yourself.

The white witch with a torn dress has a suspension on her head and rotates through an integrated motor, while a ghostly sound can be heard. Flashing LED eyes (red, green, blue) complete the animation, which can be started by a wired remote control or an integrated microphone.

The figure is complemented by a compact LED UV spotlight, which is suitable for wall or ceiling mounting as well as for floor operation thanks to a swivelling mounting bracket and an additional stand.
