The article is no longer in our assortment.

Description:

Flightcase for 483 mm units, with notebook tray

The special combi-case LS5 from ROADINGER is suitable for your 483 mm devices such as controllers and mixing consoles with 10 U horizontally and 6 U vertically. The slanted profile rail with 10 U and the removable lid allow you to operate your device from above. In addition, the case has a non-slip, sliding shelf for all standard laptop sizes.

The high-quality workmanship of the case with 9 mm wall thickness, aluminium profile frame with rounded corners and three-legged, medium-sized steel ball corners ensures stability.

The case is also equipped with four high-quality butterfly locks and two case folding handles. The case can be loaded with a maximum of 50 kg.

Features:

- Upward tilted profile rails for top-operated units
- 6 U
- With Laptop desk
- With service door
- High-quality workmanship with plywood multi-layer glued 9 mm, black, laminated
- Removable cover
- Aluminum profile frames 30mm with rounded edges
- 2 hinged, chromium plated case handles
- 4 high-quality butterfly locks
- Available in different height units (1 U = 44 mm)
- With profile rails suitable for 19" units
- For further information about this product, please refer to the Data Sheet under "Downloads"
