Description:

Simplify your transport!

The simple function of cases is to protect their capacity from transport damages. In this concern, they protect mirror balls. With these high quality cases, balls with a diameter from 30 - 100 cm can be taken on tour without any worries. To simplify the transport of the two big mirror balls - 75 cm and 100 cm - and their cases, the latter were put on wheels. So the not inconsiderable weight can be moved easily. Our pleasure!
