

## EUROLITE LED Pixel Neon Flex 12V RGB 5m with IR Set

Flexible RGB LED tube with 165 effects, power supply unit & remote control, IP44

Art. No.: 50499920

GTIN: 4026397705416

### Features:

- Extremely flexible light tube with silicone coating
- Ready-to-use set including power adapter, supply cable and mounting clips
- Easy plug-type system requires no complex installation
- Memory function saves last setting when switching off
- Not shortenable or extendable
- 180 LEDs SMD 5050 3in1 RGB (homogenous color mix)
- Control via IR remote control
- Suitable for outdoor use IP44
- For application areas such as: Clubs/dancing school; Trade fair and shop fitting; installation; restaurants, bars and hotels
- Silent operation
- Application possibility: Wall mounting

### Logistic

EAN / GTIN: 4026397705416

Weight: 1,77 kg

Length: 0.24 m

Width: 0.24 m

Height: 0.06 m

### Technical specifications:

|                    |                                                   |
|--------------------|---------------------------------------------------|
| Power supply:      | 12V DC                                            |
| Power consumption: | 19 W                                              |
| IP classification: | IP44                                              |
| Protection class:  | Protection class III                              |
| Power connection:  | Mains input via 2-pin screw plug connector (M) IP |
| Cable length:      | Approx. 1.6 m                                     |
| Lamp type:         | LED lamp                                          |

|                       |                                                 |
|-----------------------|-------------------------------------------------|
| LED type:             | 180 x SMD 5050 3in1 RGB (homogenous color mix)  |
| Light emission:       | Top 9 mm<br>Bottom 1.5 mm                       |
| Control:              | IR remote control                               |
| Color of light:       | Switching colors                                |
| Lamp life:            | 30000 h                                         |
| Luminous flux:        | 187 lm                                          |
| Housing color:        | Semi-transparent                                |
| Dimensions:           | Length: 500 cm<br>Width: 12 cm<br>Height: 21 cm |
| Weight:               | 1.67 kg                                         |
| Noise classification: | Class 0 (no noise at all)                       |
| Power supply:         | 230 V AC, 50 Hz                                 |
| Protection class:     | Protection class II                             |
| Connections:          | Output: screw plug-in terminal                  |
| Output:               | 12 V DC; 2 A; 24 W                              |
| Color:                | Black                                           |
| Weight:               | 0.1 kg                                          |
| Battery:              | Button cell CR2025                              |
| Weight:               | 0.018 kg                                        |

### Scope of delivery:

1 x illuminant  
 1 x external mains adapter  
 1 x remote control  
 10 x fixation clip  
 10 x screw  
 1 x user manual
