LED BREAKDANCE Beam Effect

Spectacular RGBW lighting effect with 3 rotating arms, atmospheric effect & unlimited PAN

Art. No.: 50944324

GTIN: 4026397759020

eurolite®

LED BREAKDANCE Beam Effect

Spectacular RGBW lighting effect with 3 rotating arms, atmospheric effect & unlimited PAN

Art. No.: 50944324

GTIN: 4026397759020

Features:

- 3 dynamically rotating arms with RGBW beam LEDs and atmospheric RGB lights
- Unlimited PAN rotation of the base and individual arms
- 12 LEDs 10 W SMD 5050 4in1 RGBW
 LEDs controlled separately
- 117 LEDs 0.2 W SMD 5050 3in1 RGB (homogenous color mix)
- Positioning within 540° PAN,
- Exact positioning (16 bit resolution)
- With a beam angle of 1° beam
- Control via stand-alone; sound to light; DMX; QuickDMX via USB (optional); W-DMX by wireless solution via USB (optional); CRMx by LumenRadio via USB (optional); master/slave function
- The device is cooled by cooling fan at the base
- Dimmer electronic; background color adjustable; Rotation direction adjustable; Rotation speed adjustable; color macros
- Flicker-free
- With omega bracket
- Mains input and output for power linking up to 8 units
