

## EUROLITE Dynamic Fog 1200 Fog Machine

1200 watt fogger with DMX

Art. No.: 51702040

GTIN: 4026397556049

### Features:

- Compact fog machine with high output volume
- Ideal for accentuating light and laser beams
- Concentrated and steady fog output
- Adjustable timer with interval and duration
- Continuous output
- Fan grille with blue LED illumination, switchable
- Short warm-up time
- Output distance: Approx. 4 m
- With level indication
- Operates on water-based fluid
- Removable tank
- Can be operated in 1 CH mode
- Control via DMX; wireless remote control; wired remote control
- With mounting bracket
- 4 digit 7-segment LED display
- For application areas such as: Clubs/dancing school; stage; theater; rental
- Application possibility: Standing; suspended

### Logistic

EAN / GTIN: 4026397556049

Weight: 8,30 kg

Length: 0.50 m

Width: 0.34 m

Height: 0.27 m

### Technical specifications:

Power supply: 230 V AC, 50 Hz

Power consumption: 1200 W

|                         |                                                                                                  |
|-------------------------|--------------------------------------------------------------------------------------------------|
| Power connection:       | Mains input via IEC connector (M) mounting version power supply cord with safety plug (provided) |
| Warm-up time:           | Approx. 3 min                                                                                    |
| Output volume:          | Approx. 340 m³/min                                                                               |
| Output distance:        | Approx. 4 m                                                                                      |
| Tank capacity:          | 2.3 l water-based fluid removable tank                                                           |
| Fluid consumption:      | Approx. 40 ml/min                                                                                |
| DMX channels:           | 1                                                                                                |
| DMX input:              | 1 x 3-pin XLR (M) mounting version                                                               |
| DMX output:             | 1 x 3-pin XLR (F) mounting version                                                               |
| Control:                | DMX; wireless remote control; wired remote control                                               |
| Fixtures available for: | LED PC-Control 512; Light Captain                                                                |
| Carrier frequency:      | 433.92 MHz                                                                                       |
| Housing color:          | Black                                                                                            |
| Attachment system:      | Mounting bracket                                                                                 |
| Heater:                 | 1210 W                                                                                           |
| Display type:           | 4 digit 7-segment LED display                                                                    |
| Color:                  | Black                                                                                            |
| Dimensions:             | Width: 31 cm<br>Depth: 42.5 cm<br>Height: 29 cm                                                  |
| Weight:                 | 7.20 kg                                                                                          |
| Noise classification:   | Class 3 (clearly perceptible sounds)                                                             |
| Cable length:           | 3 m                                                                                              |
| Battery:                | 1 x 12 V 23AE alkaline manganese built-in                                                        |

## Scope of delivery:

1 x device  
 1 x user manual  
 1 x power cord  
 2 x remote control  
 1 x declaration of conformity  
 1 x container  
 1 x filter  
 1 x battery
