

## ANTARI CH-1 Hazer

Silent CO2 hazer for smooth and very long-lasting haze

Art. No.: 51702699

GTIN: 4710586554076

**List price: 5353.81 €**

incl. 19% VAT.

### Features:

- Ideal for filming or applications where silence is crucial
- Produces large amounts of smooth haze with a very long hang time
- No pump or compressor comes built-in
- Adjustable output angle
- Timer function
- Operates on oil-based fluid
- Can be operated in 1; 3; 5 CH mode
- Control via DMX; W-DMX by wireless solution (optional); timer
- TFT display
- For application areas such as: Stage; theater; rental; video and photography
- Very quiet working noise
- Application possibility: Standing

### Logistic

EAN / GTIN: 4710586554076

Weight: 20,45 kg

Length: 0.68 m

Width: 0.28 m

Height: 0.44 m

### Technical specifications:

|                    |                                                                                                  |
|--------------------|--------------------------------------------------------------------------------------------------|
| Power supply:      | 100-240 V AC, 50/60 Hz                                                                           |
| Power consumption: | 1250 W                                                                                           |
| Power connection:  | Mains input via PowerCON TRUE (M) mounting version power supply cord with safety plug (provided) |
| Warm-up time:      | Approx. 8 min                                                                                    |
| Tank capacity:     | 2.5 l oil-based fluid fixed tank                                                                 |

|                       |                                                                            |
|-----------------------|----------------------------------------------------------------------------|
| Fluid consumption:    | Approx. 2 ml/min at 2.78 bar                                               |
| Gas type:             | CO2; N2                                                                    |
| Gas pressure range:   | 3.4 - 4.1 bar                                                              |
| Gas consumption:      | 0.36 kg/h at 2.76 bar<br>0.18 kg/h at 1.38 bar                             |
| DMX channels:         | 1; 3; 5                                                                    |
| DMX input:            | 3-pin XLR (M) mounting version<br>5-pin XLR (M) mounting version           |
| DMX output:           | 3-pin XLR (F) mounting version<br>5-pin XLR (F) mounting version           |
| Control:              | DMX; W-DMX by wireless solution (optional);<br>timer                       |
| Housing color:        | Grey                                                                       |
| Display type:         | TFT display                                                                |
| Color:                | Grey                                                                       |
| Dimensions:           | Length: 57.9 cm<br>Width: 16.4 cm<br>Height: 31.1 cm                       |
| Weight:               | 18.30 kg                                                                   |
| Noise classification: | Class 1 (very slight noise, suitable for noise-<br>sensitive environments) |

### Scope of delivery:

1 x device  
 1 x user manual  
 1 x power cord  
 1 x tube  
 1 x adapter
