Description:

Meet the all-new Antari N-100 - where compact design meets uncompromised performance. Featuring a sleek white finish with a grey logo, this 700W fog machine delivers impressive output with a quick warm-up time, making it the ideal companion for clubs, mobile DJs, weddings and house parties. The integrated fluid level indicator ensures you're always show-ready, while its powerful core guarantees both value and reliability in one stylish package. Whether you're lighting up the dance floor or adding drama to an event, the N-100 delivers professional quality without breaking the bank. Antari N-100 - small in size, big in impact.
