

## EUROLITE LED FE-2000 Hybrid Laser Flower

Bright effect with derby, laser (class 2M) and colored strobe

Art. No.: 51741082

GTIN: 4026397595154

### Features:

- 3-in-1 DMX light effect with red and green laser diodes, rotating LED derby and bicolor strobe LEDs
- Laser class 2M: does not require additional protective measures or appointment of a laser safety officer
- 2 laser diodes project thousands of red and green laser beams
- Rotating derby for mirror ball effects with five 3 W LEDs (R, G, B, A, W)
- Strobe effect with eight ultra-bright 2 W BCL LEDs (2 x R/UV, G/UV, B/UV, W/UV each)
- 7 built-in auto and music show programs
- Addressing and setting via control panel with 4-digit LED display
- Mounting bracket for flexible wall mounting and ceiling suspension
- When fog is used, this effect becomes especially attractive
- IEC terminals for power linking up to 8 units
- Switch-mode power supply for operation between 100 and 240 volts
- Can be operated in 7 CH mode
- The device is cooled by cooling fan
- Control via DMX; sound to light via microphone; master/slave function
- laser**
- Laser
- Laser class 2M <BR> does not require additional protective measures or appointment of a laser safety officer
- light effect**
- 5 LEDs 3 W SMD 8072 R/G/B/W/A
- Flower effect; multi beam effect
- strobes**
- 8 LEDs 2 W SMD 8072 R/G/B/W/UV
- Strobe effect

### Logistic

EAN / GTIN: 4026397595154

Weight: 5,20 kg

Length: 0.35 m

Width: 0.29 m

Height: 0.34 m

**Technical specifications:**

|                         |                                                                                                  |
|-------------------------|--------------------------------------------------------------------------------------------------|
| Power supply:           | 100-240 V AC, 50/60 Hz                                                                           |
| Power consumption:      | 60 W                                                                                             |
| Power connection:       | Mains input via IEC connector (M) mounting version power supply cord with safety plug (provided) |
| Power output:           | 1 x IEC connector (F) mounting version                                                           |
| Lamp type:              | LED lamp                                                                                         |
| DMX channels:           | 7                                                                                                |
| DMX input:              | 1 x 3-pin XLR (M) mounting version                                                               |
| DMX output:             | 1 x 3-pin XLR (F) mounting version                                                               |
| Cooling:                | Cooling fan                                                                                      |
| Control:                | DMX; sound to light via microphone; master/slave function                                        |
| Fixtures available for: | LED PC-Control 512; Light Captain                                                                |
| Housing color:          | Black                                                                                            |
| Dimensions:             | Width: 24.6 cm<br>Depth: 31.3 cm<br>Height: 31.5 cm                                              |
| Weight:                 | 4.6 kg                                                                                           |
| LED type:               | 5 x 3 W SMD 8072 R/G/B/W/A                                                                       |
| LED type:               | 8 x 2 W SMD 8072 R/G/B/W/UV                                                                      |
| Laser class:            | 2M                                                                                               |
| Laser color:            | R/G                                                                                              |
| Laser module:           | Red (R) 100 mW 650nm<br>Green (G) 50 mW 532nm                                                    |

**Scope of delivery:**

- 1 x device
- 1 x user manual
- 1 x power cord
