

## LASERWORLD CS-2000RGB FX (2021)

Full color mixing laser with analog color modulation

Art. No.: 51743223

GTIN: 7640144997441

**The article is no longer in our assortment.**

### Features:

- Integrated show programs
- Can be operated in 14 CH mode
- The device is cooled by cooling fan
- Control via stand-alone; sound to light via microphone; DMX; ILDA; master/slave function
- With mounting bracket
- 4 digit 7-segment LED display
- For further information about this product, please refer to the Data Sheet under "Downloads"

### Logistic

EAN / GTIN: 7640144997441

Weight: 4,35 kg

Length: 0.35 m

Width: 0.28 m

Height: 0.21 m

### Technical specifications:

|                    |                                                                                              |
|--------------------|----------------------------------------------------------------------------------------------|
| Power supply:      | 100-240 V AC, 50/60 Hz                                                                       |
| Power consumption: | 120 W                                                                                        |
| Protection class:  | Protection class I                                                                           |
| Power connection:  | Mains input via P-Con (blue), mounting version power supply cord with safety plug (provided) |
| Power output:      | 1 x P-Con (grey), mounting version                                                           |
| Laser class:       | 4                                                                                            |
| Laser color:       | R/G/B                                                                                        |
| Laser module:      | Red (R) 250 mW 635nm<br>Green (G) 250 mW 532nm<br>Blue (B) 1100 mW 445nm                     |

|                    |                                                                              |
|--------------------|------------------------------------------------------------------------------|
| DMX channels:      | 14                                                                           |
| DMX input:         | 3-pin XLR (M) mounting version                                               |
| DMX output:        | 3-pin XLR (F) mounting version                                               |
| Cooling:           | Cooling fan                                                                  |
| Control:           | Stand-alone; sound to light via microphone; DMX; ILDA; master/slave function |
| Housing color:     | Black                                                                        |
| Attachment system: | Mounting bracket                                                             |
| Display type:      | 4 digit 7-segment LED display                                                |
| Dimensions:        | Length: 19 cm<br>Width: 27.4 cm<br>Height: 16 cm                             |
| Weight:            | 3.70 kg                                                                      |

### Scope of delivery:

1 x laser  
 1 x user manual  
 1 x power cord  
 1 x key  
 1 x Interlock
