GTIN: 4026397670394

List price: 296.31 €

incl. 19% VAT.

Description:

LED logo projector with 30 W LED incl. IR remote control

Use the EUROLITE LED LP-30 to advertise your booth with your company logo projected on the ceiling or throw a Christmas motif directly from your shop window onto the street to attract the full attention of passers-by.

The LP-30 logo projector is completely silent as it is equipped with convection cooling. The sharp and flicker-free projection is made possible by the powerful, cool white 30-watt COB LED.

Different gobos can be easily changed and inserted. Switch conveniently between static or rotating gobos and control the rotation speed and direction according to your needs. A gobo with "bubbles" motif is included in the delivery.

The logo projector also features a dimmer, pre-programmed macros and a variable speed strobe effect with a random generator.

You can control the projector either via DMX, master/slave or with the included infrared remote control. The logo projector is also compatible with QuickDMX - the wireless DMX system from Eurolite. The P-Con mains connection allows you to operate up to eight devices in series.

You can address and set the LP-30 via the control board with LCD display.

Features:

- Delivery includes a gobo, motive "bubbles"
- Clear projection
- 1 LED 30 W COB (chip-on-board) cold white (CW)
- Gobo wheel with rotating gobos; focus manual; zoom manual; gobo wheel with static gobos

Logistic

EAN / GTIN: 4026397670394

Weight: 3,75 kg

Length: 0.31 m

Width: 0.21 m

Height: 0.31 m

- Dimmer electronic; color macros adjustable
- Gobo effect; strobe effect
- Can be operated in 2; 3; 4 CH mode
- The device is cooled by passive convection cooling
- Control via DMX; IR remote control; stand-alone; QuickDMX via USB (optional); W-DMX by wireless solution via USB (optional); CRMX by LumenRadio via USB (optional)
- Flicker-free
- With a beam angle of 11° - 16°
- With double bracket
- Mains input and output for power linking up to 8 units
- For application areas such as: Clubs/dancing school; decoration; mobile djs / entertainer; restaurants, bars and hotels; advertisement/Shop window
- Application possibility: Standing; suspended; on stand
- Silent operation
- **gobos**
- Gobos changeable

Technical specifications:

Power supply:	100-240 V AC, 50/60 Hz
Power consumption:	35 W
Power connection:	Mains input via P-Con (blue), mounting version power supply cord with safety plug (provided)
Lamp type:	LED lamp
LED type:	1 x 30 W COB (chip-on-board) cold white (CW)
Equipment:	Gobo wheel with rotating gobos; focus manual; zoom manual; gobo wheel with static gobos
DMX channels:	2; 3; 4
DMX input:	3-pin XLR (M) mounting version
DMX output:	3-pin XLR (F) mounting version
Cooling:	Passive convection cooling
Control:	DMX; IR remote control; stand-alone; QuickDMX via USB (optional); W-DMX by wireless solution via USB (optional); CRMX by LumenRadio via USB (optional)
Fixtures available for:	Light Captain; Light J
Projection:	Flicker-free
Beam angle:	11° - 16°
Beam angle (1/2 peak):	11 - 16°
Beam angle (1/10 peak):	11 - 16°
Housing color:	Black
Attachment system:	Double bracket
Material:	Aluminum
Dimensions:	Length: 25.2 cm Width: 12 cm Height: 24.8 cm
Weight:	3.34 kg
Noise classification:	Class 0 (no noise at all)
Diameter mounting holes:	2 x Ø10mm
Material:	Metal, 2.5 mm
Cable length:	Approx. 1.2 m

Battery:	1 x button cell 3.0 V CR2032 lithium manganese built-in
Gobos:	Outside diameter 27mm Image diameter 18mm Gobos changeable

Scope of delivery:

- 1 x device
- 1 x power cord
- 1 x remote control
- 1 x battery
- 1 x gobos
- 1 x user manual
