

EUROLITE LED PST-9W TCL DMX Spot

Narrow beam pinspot with 9 W 3in1 RGB LED

Art. No.: 51916200

GTIN: 4026397403718

The article is no longer in our assortment.

Description:

This professional LED pin spot by Eurolite brings sharp RGB beams in every window display, party room or trade fair! Light up the room in any color you like to impress your audience.

The PST-9W is operated via built-in DIP switches or a DMX controller. You wish to illuminate a larger area? No problem! Simply link multiple spots via the supplied connection cable to create impressive light effects.

For ceiling or truss installation you can simply use the bracket. As the fixture is delivered ready to use, all you have to do is install it and switch it on - plug and power cord are included. Once you plugged in the PST-9W, you can use preset programs like slowly fading colors, rapid color changes, strobe effects or constant light in a single color. Brightness can be manually adjusted via DMX as well. It's entirely up to you to make the most of your event!

Features:

- Memory function saves last setting when switching off
- 1 LED 9 W high-power 3in1 RGB (homogenous color mix)
- Color change adjustable; color fade adjustable; program speed adjustable; Dimmer electronic
- Strobe effect
- Can be operated in 5 CH mode
- The device is cooled by passive convection cooling
- Control via stand-alone; DMX; master/slave function
- With a beam angle of 6°
- Silent operation
- For application areas such as: Advertisement/Shop window; party room; decoration
