EUROLITE LED WF-40 Water Effect

Projection effect for water reflections, with RGBW color mixing & DMX

Art. No.: 51918544

GTIN: 4026397556193

Description:

The LED WF-40 Water Effect by Eurolite turns every room into a swimming pool. The built-in COB LED projects colorful effects in red, green, blue and white onto the walls pulsating in the rhythm of water. With this lighting effect you easily create a relaxed ambience in bars, clubs, lounges and on stage.

The WF-40 operates almost silently so that you can completely lose yourself in the atmospheric lights of the ocean. You can choose between the DMX operating mode and the stand-alone mode. What is more, the Water Effect is equipped with a microphone for adjusting the light show to the rhythm of the music, which makes this LED light effect perfectly suitable for parties.

You can dim the light, adjust the colors according to your requirements or let the preset programs choose the colors. You can also add a thrilling strobe effect with the speed either regulated by you or by chance.

Of course, the WF-40 is delivered ready to use and with bracket - plug and play! It's entirely up to you whether you want to use the WF-40 to relax or to throw a party!

Features:

- Static and moving water effects with a 3D look in vibrant colors
