Multifunctional LED color changing bar

Art. No.: 51930210

GTIN: 4026397372984

The article is no longer in our assortment.

Description:

Beautiful true colors!

Do you, from time to time, also want to flee from the gray and ordinary daily routine and to experience something special? Then the EUROLITE LED Bar PIX-45 is the right address for you. The bar helps you to spice up your life and to say farewell to monotony. Because compared to many competitors our PIX-45 benefits from its very colorful character traits. The 45 LEDs are not only red, green or blue. Far wrong! In addition to the commonly color mixture the bar has been equipped with white and amber LEDs. Due to this combination you get shades of colors which are distinctively. And with the high luminosity of the 1.2 Watt Diodes, stages, dance floors or walls can be drenched in the desired color. You can either run one of the 18 programs installed or create your own pattern. The LEDs can thereby be controlled within their group (5 LEDs - pixel) or individually. So, there are almost no bounds for a diversified and colorful use of the LED Bar Pix 45. Be a color magician yourself!

Features:

- Equipped with 45 x 1.2 W LEDs: 9 x red, 9 x green, 9 x blue, 9 x amber, 9 x white
- 5 LEDs x 9 LED groups (pixel) independently controllable
- 3, 7, 21, 46 or 47 DMX channels selectable for numerous applications
- DMX control with ID number
