- Application possibility: Suspended

### Logistic

EAN / GTIN: 4026397512953

Weight: 1,85 kg

Length: 0.25 m

Width: 0.25 m

Height: 0.38 m

### Technical specifications:

|                        |                                                |
|------------------------|------------------------------------------------|
| Power supply:          | 230 V AC, 50 Hz                                |
| Power consumption:     | 22 W                                           |
| Power connection:      | Fixed power supply cord with Euro plug         |
| Lamp type:             | LED lamp                                       |
| LED type:              | 146 x 10 mm cold white (CW)                    |
| Flash rate:            | 1 - 20 Hz                                      |
| Control:               | Stand-alone; sound to light; IR remote control |
| Beam angle (1/2 peak): | 11°                                            |
| Color temperature:     | 6800K                                          |

|                       |                                                                        |
|-----------------------|------------------------------------------------------------------------|
| Attachment system:    | Mounting bracket                                                       |
| Dimensions:           | Width: 28 cm<br>Depth: 30 cm<br>Height: 21 cm                          |
| Weight:               | 1.43 kg                                                                |
| Noise classification: | Class 1 (very slight noise, suitable for noise-sensitive environments) |
| Battery:              | 1 x button cell 3.0 V CR2025 lithium manganese built-in                |

**Scope of delivery:**

1 x remote control
