

EUROLITE TPC-56Q Coupler Cone black

Coupler for 50 mm tube with Quicklock conical connector for QL-ET + E-GL truss systems

Art. No.: 59006931

GTIN: 4026397646023

Features:

Technical specifications:

|                               |                                                                  |
|-------------------------------|------------------------------------------------------------------|
| Maximum load BGV C1 (8-fold): | 250 kg                                                           |
| Maximum load WLL (4-fold):    | 500 kg                                                           |
| Tube diameter sector:         | 48 - 50 mm                                                       |
| Material:                     | Aluminum                                                         |
| Color:                        | Black                                                            |
| Dimensions:                   | Length: 13 cm<br>Width: 5 cm<br>Depth: 11.50 cm<br>Height: 13 cm |
| Weight:                       | 0.61 kg                                                          |

Scope of delivery:

Logistic

EAN / GTIN: 4026397646023  
Weight: 0,61 kg  
Length: 0.13 m  
Width: 0.13 m  
Heigth: 0.05 m
