Cover for speaker stands up to 2.2 m

Art. No.: 83312094

GTIN: 4260338790097

The article is no longer in our assortment.

Description:

Tripod cover 3 sides for speaker stands

With this tripod cover, you cover all 3 sides of a stand up to 2.2 m height. Ideal for applications where the whole stand is visible. Higher longevity and ruggedness due to enforced feet. The stands are glowing and become very decorative and professional by LED spots mounted inside. Easy mounting with optional mounting disc (XPSKP).
