Set of lanterns as garden decoration

Art. No.: 83316122

GTIN: 4026397702293

Description:

The 3-piece Halloween set is a creepy and beautiful Halloween decoration that will greet visitors already in the front yard.

Each bar light consists of a classic skull made of plastic. Inside are 2 LEDs that illuminate it in warm white when activated. A jagged, black ruff made of semi-transparent fabric forms the transition to an approximately 15 cm long ground spike, which is used to attach the staff light. The skulls are connected by a cable and can be inserted at a distance of max. 60 cm in a large planter or in soft soil. Activation is via a button on the battery compartment with TIMER/ON/OFF function.
